

VESTMANNAEYJARSÝSLA

(VESTMANNAEYJAR COUNTY)

*North
Atlantic Ocean*

Vestmannaeyjarsýsla (Vestmannaehar County)

This map was created from the following sources, each source representing boundaries and location names from different years.

BÆJATAL Á ÍSLANDI 1961 [Reykjavík, 1961] (SCAND 949.12 E5b Copy 3), is Iceland as of 1961.

Eric Jonasson, *Tracing Your Icelandic Family Tree* [Copyright 1975 by Eric Jonasson, Box 205, St. James Postal Station WINNIPEG, Manitoba], (FHL SCAND REF AREA 949.12 D27j), representing Iceland in 1849.

Iceland, Official Standard Names Approved by the U.S. Board on Geographic Names [Washington, D.C. 1961], (FHL SCAND 949.12 E5u).

The Ísland Map (Icelandic Map) (FHL 949.12 E7i 1974) in the International (INTL) Map Case of the Family History Library (FHL) represents sýsla (county) and hrepp (district) boundaries as of 1974. This map may be represented at a different orientation from those shown on the Icelandic Map (FHL 949.12 E7i 1974).

Though some clerical districts (hreppur) may not be listed in the Family History Catalog (FHLC), they may appear on modern maps and on this included map.

Vestmannaeyjar is listed as part of Rangárvallasýsla in *Iceland, Official Standard Names*, 224. However, the FHLC lists Vestmannaeyjar as a separate sýsla (county). The reference in the FHLC states that because the parishes Vestmannaeyjar, Kirkjubær and Ofanleiti are islands off the coast of Rangárvallasýsla, Vestmannaeyjar has been used as a county for these parishes. Vestmannaeyjar. is also listed as a sýsla in Jonasson, *Tracing*, 45-46.
